SEASIDE DESIGNER VILLA Presenting an exquisite villa with a sprawling 250 square metre floor plan, boasting uninterrupted vistas of the azure sea and the picturesque town of Guardamar. This three-bedroom abode features en-suite bathrooms, with each chamber opening out to private terraces that offer stunning panoramas of the neighbouring Sierra del Recorral. The pièce de résistance is the infinity pool, which not only invites a sense of boundless relaxation but also serves as the perfect vantage point to take in the breathtaking natural beauty of Rojales. The ground floor, bathed in natural light courtesy of a charming English patio, is a versatile space ripe for customisation. Imagine transforming...(Ask for More Details!)
