Introducing a superb detached villa nestled on a 500 square meter plot in Ciudad Quesada. This appealing property is designed to cater to both the comfort of year-round residency and the pleasures of vacation living. The villa showcases a thoughtfully crafted two-story floor plan, which maximises space and functionality. Key Features: The ground level is graced by two well-appointed bedrooms, one of which is complemented by a recently refurbished bathroom equipped with a modern shower. A commodious American-style kitchen adjoins the spacious living-dining area, which in turn seamlessly connects to the manicured garden via a substantial glazed terrace. This expansive space is ideal for indoor-outdoor entertaining and leisure activities...(Ask for More
