Introducing an Exclusive New Residential Development in Alicante with Unobstructed Views This distinguished new housing project in Alicante is meticulously crafted to enhance comfort and elevate the standard of living. Comprised of 84 two and three-bedroom residences, the development is nestled within the coveted San Agustín - Pau II district, where essential facilities are conveniently accessible. The complex boasts a contemporary and functional design, complemented by spacious gardens, a communal swimming pool, dedicated play areas for children, secure parking, and storage spaces for each homeowner. Its prime elevated position ensures residents relish panoramic vistas of the cityscape and the enveloping natural environment. Strategically located, this residential
