Check out this absolutely gorgeous new villa in Santiago de la Ribera. It's the last one available, so you'd better hurry! These stunning homes are part of a brand new development that's just a stone's throw from the Mar Menor beaches, waking up every day to the sunshine. This modern villa is all about giving you the ultimate private living experience. It's got everything you'd want, like a private pool and a garage to keep your car safe and sound. The best part? Double glazed sliding glass doors that lead straight out to your personal piece of paradise. Take a dip in the pool, lounge in the sun-soaked gardens,...(Ask for More Details!)
