New Build Villas & Townhouses in Fuente Álamo, Murcia – Sustainable Living in Nature  
 Peaceful Setting, Modern Design  
 Discover a unique residential development of newly built villas and townhouses in Fuente Álamo, Murcia. Set in an exceptional natural environment, this project offers a lifestyle far from the noise of big cities and coastal crowds, while still being well connected to Cartagena, Murcia city, and Corvera Airport. Designed for Comfort & Sustainability  
 This development embraces eco-friendly construction and energy efficiency, ensuring a harmonious integration with the surrounding countryside. Each home is built with modern comforts and high-quality finishes, including:  
 Full ducted air conditioning (hot/cold)  
 Video intercom system  
 Colour-lacquered security
