Only 1 key-ready villa are left in the stunning Mar De Cristal! These brand-new homes will be completed in just one month, and the best part is, you get to personalize your garden to your heart's content. Each villa is a single-story retreat with 3 cozy bedrooms and 2 baths, with the added convenience of an external WC. But wait, there's more! Picture yourself soaking up the sun on your very own private rooftop solarium, with breathtaking views of the mountains and the sea that's a quick 500-meter stroll away. The open-concept kitchen seamlessly flows into the living and dining areas, and when you slide open the high windows,...(Ask for More Details!)
